

FIRST ANNUAL DONS ALUMNI ALL-COUNTY PAROCHIAL FOOTBALL PRESEASON INVITATIONAL

It is my pleasure to invite all San Diego County Parochial Schools to participate in this inaugural event. This one of a kind tournament will bring all areas of the county together with the goal of preparing for the 2010 Flag Football season and building community together in Christ.

The tournament will take place over the course of two weekends, September 11-12 and September 19. The first weekend will consist of pool play where every team will be guaranteed a total of 3 games. The second weekend will consist of the top 8 teams from pool play and they will be seeded for a single-elimination tournament.

In order to accommodate those families that have athletes participating on Sunday the 19th, we will host a mass on campus at our chapel at 9 a.m. The tournament will conclude with the championship game played at Manchester Stadium at 6 p.m.

The tournament is for Varsity teams. Pool play will be round robin format. 3 game fields guarantee that the teams will get plenty of rest in between games. Each team will play at least one game at Manchester Stadium. The team fee is \$200 and includes t-shirts for each player. The winner of the tournament will receive a trophy that the winning school will be able to keep on their campus for an entire year.

The Dons' Alumni and Cathedral Catholic hope all of you can help make this the tremendous success that we know it can be.

Thank You,

Sean Doyle '80
Head Varsity Football Coach

Martin Correia '87
Alumni President

Mario Fierro '02
Tournament Director
